A "BEST VALUE" COLLEGE

(Princeton Review)

## Scholarships and Financial Aid

We consider your estimated family contribution when determining aid awards, and we are need-blind in our evaluation for admission.

All applicants are automatically considered for merit scholarships (amounts shown are for first-year students entering Fall 2027):

- ⊕ Vermont residents: Up to \$15,000
- ⊕ Out-of-state and international: Up to \$30,000

## Why Wait? Apply Early

If you know UVM is right for you, apply Early Action or Early Decision. It demonstrates your strong interest, helps you stand out from the pack, and guarantees you an admission decision earlier than normal. Plus, your **application fee will be waived** (for students applying Early Decision I or Early Action for Fall 2027).

92% of undergraduate students receive grants and scholarships

(Programs listed are current as of June 2026)

\* Students select a strategic theme: Global Business, Sustainable Business, or Entrepreneurship; and also choose a concentration: Accounting, Finance, Marketing, or Business Analytics.

\*\* Secondary Education students choose a concentration in fields such as English, Language, Mathematics, Science, and Social Science.

## Honors College & Signature Academic Programs

Signature academic programs at UVM are cohort-based experiences that go beyond traditional coursework to bring likeminded students together for academically rigorous learning opportunities. In each program, students live together in the same residence hall for one to two years to reinforce connections and learning opportunities outside the classroom.

### UVM's Signature Academic Programs Include:

- + Patrick Leahy Honors College
- + STEM Scholars
- + Liberal Arts Scholars Program
- + Impact Scholars
- + Grossman School of Business Trail Blazers

### Learn more about each program's entry requirements

University of Vermont

admissions@uvm.edu

UVM has worked since 1791 to build a sustainable, hopeful, and bold future. Here, ideas become action. All members of our community are empowered to forge purposeful paths into work and life. In cooperation and partnership with the communities we touch, we engage as scholars, researchers, leaders, learners, and problem-solvers who seek to make an impact locally and globally.

“

Everyone here is driven and passionate and wants to see each other succeed. That's what sets us apart. We see a cooperative aspect to success. Not only are you allowed to express your ideas and your identity, you're encouraged. I have so many peers here who want to make their mark. UVM gives you the tools for that.

## BEST SCHOOL FOR MAKING AN IMPACT

(Princeton Review)

UVM students are driven by more than just grades and credentials, and they don't wait to make a difference—they lead, advocate, and innovate from day one. Whether it's through research, service, activism, or building community, Catamounts do all things with purpose, shaping a campus culture where success is defined by its impact on the world.

#8

## TOP GREEN COLLEGES

(Princeton Review)

Sustainability is a value that is core to our character, rooted in Vermont's tradition of environmentalism and action. As a first-year student, you'll take at least one sustainability-related course. In the living laboratory of our home state, students across many majors have opportunities for hands-on learning on Lake Champlain, on nearby mountaintops, or at one of 10 biodiverse natural areas managed by UVM. Plus, UVM has committed to being carbon neutral by 2030.

R1

## RESEARCH INSTITUTION

(Carnegie Designation shared by 3% of schools)

At UVM, you can contribute to groundbreaking research that helps humankind as early as your first year. Our status as a nationally-ranked, top-tier research institution means you can access state-of-the-art facilities (like our on-campus hospital and medical school), strong faculty mentorship, and prestigious opportunities no matter your major.

## Visit UVM

Whether on campus or online, we're excited to show you everything UVM has to offer. Visit us in person or virtually.

Receive up to \$4,000 when you visit us on campus. Participate in an official campus visit to be eligible for an annual \$1,000 Visit Award renewable for up to four years.

## Find Friends, Build Community, Make a Difference

From outdoor adventure to career jumpstarts to cultural connections, you'll find countless ways to get involved at UVM. Our expansive network of organizations will allow you to explore new passions, cultivate community, and pursue leadership opportunities.

## 300+ CLUBS AND ORGANIZATIONS

## 18 D1 ATHLETIC TEAMS

(and plenty to cheer for with a national title and 32 conference championships in the last decade)

## 60+ CLUB SPORTS

(more than half with intercollegiate competition)

## Think on a Global Scale

UVM is your launchpad to exploring other cultures, preparing for a global career, and building a worldwide network for life—from **courses on campus to semesters abroad**, from **language programs to international internships**, from volunteering internationally to conducting research with global impact.

## Burlington, Vermont

Known for its culture, music, delicious food, and iconic views, Burlington is a hub of activity for the UVM community.
